

**EMILY M. GOLDEN, E.I.T**  
**STAFF CONSULTANT**

[emgolden@engsys.com](mailto:emgolden@engsys.com)

Ms. Emily Golden is an Engineer in Training (EIT) and a Staff Consultant for Engineering Systems Inc. (ESi). Her academic, technical, and professional experience has revolved around structural design, construction, and steel connection design. In addition, Ms. Golden has experience in concrete formwork design and assessment.

Prior to joining ESi, Ms. Golden worked in structural engineering performing structural assessments, structural analysis, and repair designs. Ms. Golden gained valuable experience in parking structure assessments, root cause and failure analysis of steel connections in parking structures, and structural analysis to determine the load carrying capacity of existing structures.

**Areas of Specialization**

Building Code Analysis  
Inspection and Evaluation of Structures  
Structural Analysis  
Design and Analysis of Steel Connections  
Construction Defects  
Concrete Design

**Licensed Engineer in Training (EIT)**

State of Georgia ..... License No. EIT029194

**Education**

Georgia Institute of Technology, BSCE, 2019

**Positions Held**
