

# **RESUME OF BASRI BASRI, P.E., S.E., LEED AP**

## **SUMMARY**

Registered Structural Engineer with 15 years experience in structural design and analysis. Experienced in evaluating structures of wood, steel, concrete and masonry, and for seismic, wind and snow damage.

## **PROFESSIONAL EXPERIENCE**

### **MDE Inc. – Seattle, WA (2010 to Present)**

Associate, Structural Engineer – Providing structural forensic evaluation of structures, design of replacement, damaged support structure members.

### **B2 Structural Engineers – Kenmore, WA (2008 – present)**

Principal Owner – Providing structural analysis and design with various materials (including steel, concrete, wood, masonry, fiberglass and glass elements), seismic retrofit, field investigation, structural evaluation, construction support, finite element modeling, and peer review.

### **Poggemeyer Design Group – Kirkland, WA (2004 – 2008)**

Project Manager – Managed building projects, supervised a team of engineers in developing structural documents and specifications, developed marketing strategies and client relationship management.

### **Dewhurst Macfarlane & Partners – New York, NY (2003 – 2004)**

Senior Engineer – Managed building projects, worked with architects in optimizing structural designs, provided structural analysis and design for steel, concrete and glass structures.

### **WSP Cantor Seinuk – New York, NY (1999 – 2003)**

Project Engineer – Performed gravity, wind and seismic analysis for buildings. Developed structural drawings and specifications for construction. Provided field support during building constructions.

### **BGA Engineers – Houston, TX (1997 – 1999)**

Design Engineer – Performed gravity, wind and seismic analysis for buildings. Developed structural sections and details. Performed review of shop drawings.

## **PROFESSIONAL REGISTRATION**

Registered Structural Engineer, State of Washington, SE # 43789  
Registered Structural Engineer, State of Hawaii, SE# 14073  
Registered Civil Engineer, State of Washington, PE# 43789  
Registered Professional Engineer, State of Oregon, PE# 83390PE  
Registered Professional Engineer, State of California, PE# C77091  
Registered Professional Engineer, State of Alaska, PE# C12519  
Leadership in Environment and Energy Design (LEED) Accredited Professional

**Basri Basri, P.E., S.E., LEED AP**

## **EDUCATION & TRAINING**

M.S. Structural Engineering, University of Wisconsin-Madison (1996)

B.S. Civil Engineering, University of Wisconsin-Madison (1994)

Various continuing education courses and seminars in structural design, seismic evaluation and building code update

## **PROFESSIONAL ASSOCIATIONS**

Member – Structural Engineers of Washington (SEAW)

Member – American Society of Civil Engineers (ASCE)
