

RESUME OF JENTRY CRAIN

SUMMARY

Mr. Crain specializes in the investigation of traffic accidents, fires, and other field investigations in the State of Alaska. He is an experienced police officer specializing in traffic enforcement. He also has a background in explosive ordnance disposal, aviation, wildland firefighting, construction, heavy equipment operation, metal fabrication and welding.

PROFESSIONAL EXPERIENCE

MDE Inc. – Seattle, WA (2010 to Present)

Associate - Traffic accidents, fire investigations, and other forensic investigations.

City of Wasilla – Wasilla, AK (2000-Present)

Police Officer – specialized in traffic enforcement, major traffic accident investigation, aircraft accident investigation, and forensic diagramming of major crime scenes. Duties include patrolling an assigned area to prevent and discover crime, enforcing state law and municipal ordinances, conducting investigations, making arrests, testifying in court, responding to calls, taking necessary action at the scene of crime or disturbance, and completing reports/forms and routine paperwork. Specialized duties include at-scene investigation of major accidents, creating scale diagrams of accident/crime scenes using Total Station and Crash/Crime Zone reconstruction software and creating scale animations of crashes. Prepares case reports, conducts, post collision vehicle inspections, and performs collision speed analysis.

Foster Wheeler Inc. – Najaf, Iraq (2003-2004)

Contract Explosive Ordnance Disposal Technician – Duties were to locate, identify, render safe and dispose of foreign and domestic conventional, biological, and chemical ordnance. Respond to Improvised Explosive Devices (IEDs), then render them safe remotely or by hand after determining and documenting their method of operation. Mass disposal of seized Iraqi military ordnance by detonation.

U.S. Army – Various Locations (1997-2001)

Explosive Ordnance Disposal Technician (EOD) - Duties were to locate, identify, render safe and dispose of foreign and domestic conventional, biological, chemical, or nuclear ordnance including Improvised Explosive Devices (IEDs), Weapons of Mass Destruction (WMDs), and large vehicle bombs. Conduct intelligence gathering operations on first seen ordnance and IEDs. Support very important persons (VIP) missions for the U.S. Secret Service, State Department and other Federal agencies. Train soldiers and civilians in IED and explosive hazard awareness.

City of Craig – Craig, CO (1994-1996)

Police Officer - Responsible for patrolling an assigned area to prevent and discover crime and to enforce state law and municipal ordinances. Duties included conducting investigations, making arrests, testifying in court, responding to calls, taking necessary action at the scene of crime or disturbance; and completing reports/forms and routine paperwork.
